Ministry of Commerce

No. 2501 ព.ណ. កសក

01 August 2023

**Announcement**

The Ministry of Commerce is honored to announce that in order to reduce unnecessary documents for trademark application registration and to facilitate the registration procedures, the Ministry of Commerce requests an applicant for trademark registration to use a single trademark application for multiple classes of goods or services in one classification or more classification of the Nice classification in accordance with the Article 10 of the Sub-Decree on the Implementation of the Law Concerning Marks, Trade Names and Acts of Unfair Competition.

As mentioned above, all applicants please implement this announcement from the date of the announcement. *[initial]*
